

Summit Battery Disconnect Switch SUM-G1439

Thank you for buying the Summit Battery Disconnect Switch. This switch gives you an easy, convenient way to disconnect your battery when you need to recharge it, saving your solid state voltage regulator and alternator from possible damage and destruction. The switch is also handy for protecting your car from potential thieves. The Summit Battery Disconnect Switch is rated at 100 amps for 12 or 24 volt DC use.

Important Information

This battery terminal disconnect switch is for use with top post batteries only! The switch's cable end connects to the negative battery post only.

Instructions

1. Remove negative battery cable from battery.
2. Mount Disconnect Switch on the negative battery post.
3. Mount the negative battery cable on the Disconnect Switch.

NOTE: Disconnecting the battery can cause loss of radio settings, clock setting, and computer memory on some vehicles.

Upgrades

Summit Racing Equipment also offers the following parts to enhance your electrical system.

Summit Pushbutton Starter Switch

Reliable, waterproof finger pushbutton switch, rated at 35 amps at 12 volts.

SUM-G1433

Limited One-Year Warranty

This Limited One-Year Warranty is given to the original purchaser (the "Buyer") of this new Summit or Summit Performance Branded Product. Summit Racing Equipment warrants that the product will be free from defects in workmanship and materials under normal use and service for one year from the date of purchase.

Your responsibilities:

Keep a sales receipt, canceled check, or payment record to verify your purchase date. Operate and maintain the product in accordance with the specifications provided to you with the product. Arrange for or pay items and costs that are not covered by this Limited Warranty.

What is not covered:

1. Damages caused by shipping, product misuse, misapplication, improper installation or maintenance, or damages resulting from accidents, contact with on-road or off-road hazards, or racing engine use.
2. Labor costs to remove and install the products or component parts.
3. The costs of shipping the product to and from Summit Racing Equipment.

Claims Procedure:

The duration of this warranty is limited to claims made in writing to Summit Racing Equipment within one year after the

Purchase Date. The Buyer should call the telephone number below to report a possible warranty claim. The Buyer must also allow Summit Racing Equipment to inspect the product, and the Buyer must reasonably cooperate with Summit Racing Equipment with respect to verifying the warranty claim of the Buyer. In the event that a warranted defect is discovered, Summit Racing Equipment will repair or replace the product, or return the purchase price to the Buyer, at the option of Summit Racing Equipment.

All shipping costs are paid by the Buyer. Merchandise returned to Summit Racing Equipment without prior authorization will not be accepted.

This warranty extends only to the Buyer and is not transferable. Implied warranties applicable to this transaction extend only to one year. Some states do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

Summit Racing Equipment shall not be responsible for any incidental or consequential damages of the Buyer. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

This warranty gives you very specific legal rights, and you may also have other rights which vary from state to state.
