

***Press Release***

## **ZEX™ Racer's Tuning Kit**

Imagine installing the ultimate nitrous system for your vehicle and only getting part of the performance you paid for. Well without the new ZEX™ Racer's Tuning Kit, that might just be the case. With the ZEX™ Racer's Tuning Kit you get the ZEX™ - designed accessories engineered to maximize your nitrous system's horsepower potential.

The kit includes all of the accessories you need for peak performance including a purge kit, bottle heater, bottle pressure gauge, and safety blow down tube. Best of all, the ZEX™ Racer's Tuning Kit offers a significant cost savings over purchasing these items individually. For more information contact ZEX™ at 888-817-1008 or [www.zex.com](http://www.zex.com).
